

## Mission

Assisting families in nurturing God's children for time and eternity by providing quality early learning opportunities.

## Philosophy

Children will learn that they are a special creation of God, dearly loved by their Savior, Jesus. Educational programs nurture growth in the following areas: spiritual, social/emotional, physical, language, attitudes towards learning and emerging cognition. Our program provides playful learning opportunities in a loving and safe environment.

Tree of Life Learning Center admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the bases of race, color, national and ethnic origin in administration of its educational policies and admission policies.

At Tree of Life Learning Center  
our focus is:

## Spiritual

Knowing that Jesus loves children and understanding that God created them and their world.

## Social & Emotional

Developing the ability to increase attention span, manage emotions, regulate behavior, show empathy and play cooperatively.

## Physical

Exercising large and small muscles to touch, grasp, manipulate objects, explore through sensory experiences and engage in physical activity.

## Language & Communication

Growing skills in areas of listening, understanding, speaking, communicating and early literacy.

## Cognition & General Knowledge

Acquiring, organizing and using information to satisfy youthful curiosity.

## Approaches to Learning

Fostering positive attitudes towards learning, nurturing initiative, growing task-persistence and expanding attentiveness.

Based on Wisconsin  
Model of Early Learning Standards.
